# KAMANA CONGRATULATED UNDER THE KAMANI TREE

Officers of Oahu Prison and Y. M. C. A. Visitors Offer Cordial Greetings to the New Warden and Kamana Replies.

The appointment of William Kamana to the Wardenship of Oahu Prison has caused no greater satisfaction anywhere than within the grim walls of the prison itself. This was evident yesterday, when from eleven o'clock to half past twelve, the officers not on duty and all the prisoners, gathered under the famous jail tree, and celebrated the appointment of the new warden with address, songs and congratulatory talks.

The prison committee of the Y. M. C. A. had given the time usually occupied by them for religious services, for the purpose, and the members of the committee themselves were out in full force to add their voices to the congratulatory chorus of the prison. The Hawaiian and American flags entwined their folds around the kamani tree, which presented quite a gay appearance. Around it, seated upon rows and rows of benches, forming a hollow square, were the prisoners, anxiously awaiting the developments of the day and entertained while waiting by the singing of the numerous birds which flit to and fro above the meeting place.

The services began at eleven o'clock, when Secretary H. C. Brown of the Y. M. C. A. asked the congregation to rise and join in the singing of the hymn "There is Sunshine in My Soul Today." Then the 100th psalm was read in English and Hawaiian, after which prayer was offered by the Rev. Mr. Turner. The Oahu Prison Glee Club contributed to the program several selections, both in English and Hawaiian, which they sung remarkably well.

While the singing by the Glee Club of the song "What a Gathering" was in progress, Warden Kamana made his appearance and was escorted to a seat by Turnkey W. H. Kealakal and Captain C. A. Bishaw. He was received by the whole congregation arising and remaining standing until the warden had been seated. John M. Martin, chairman of the prison committee of the Y. M. C. A., and the Rev. Mr. Manase then addressed the congregation and congratulated Warden Kamana upon his well-deserved promotion. Secretary Brown, in behalf of the Y. M. C. A., paid a high tribute to the character of the late warden, now High Sheriff Henry, and congratulated the Territory and the prisoners that he had been succeeded by such a worthy man as Mr. Kamana. The O. P. Glee Club sang the beautiful song "He Leo Aloha" and then Turnkey Kealakal and Captain C. A. Bishaw advanced to the front and, in behalf of the officers of the prison, presented Warden Kamana, with an address. It was written in both English and Hawaiian, beautifully illustrated in pen and ink, an elaborate scroll surrounding the whole. The address was as follows:

"It is with great pleasure and gratification that we, the undersigned, officers and guards of Oahu Prison, respectfully beg to offer you our most sincere congratulations upon your promotion to the Wardenship of Oahu Prison. It is, to us, a striking illustration of the fact that it is still possible for a Hawaiian to receive some of the highest honors within the gift of the people of this Territory. We believe that your long services in the Police Department and your steady rise therein, constitute an object lesson to the Hawaiian people. Your recent promotion is a well-deserved tribute to your honesty, ability and faithfulness to duty. As an officer in the Police Department and, for the past eleven years, as Deputy Warden of Oahu Prison, you have proven yourself to be an honor to your race and a worthy son of Hawaii. We most sincerely hope that the same cordial relations which have always existed between us, in the past, will continue unbroken in the future. While pledging you our most faithful co-operation in the performance of your administrative duties, we pray the Almighty that you may be spared to enjoy for many years the legitimate recompense deserved by a life of faithfulness and devotion to duty."

This was signed by all the officers of the prison, most of whom have served under Deputy Warden Kamana for many years.

Warden Kamana, visibly affected, answered in part as follows:

"I cannot find words sufficient to tell you how much I appreciate this demonstration, which is, indeed, one of encouragement and good will towards me. I thank you all for it. I am much gratified to see among us today the members of the Prison Committee of the Y. M. C. A. For years, gentlemen, I have had the pleasure to welcome you here Sunday after Sunday, and I assure you that I have appreciated your efforts in behalf of the men confined here. Permit me to assure you that I shall be as much pleased to welcome you here in the future as in the past, and that I shall do all in my power to help you in your work."

"To you, officers of Oahu Prison, I heartily give my thanks for your address. Without your help and co-operation it would be impossible for any warden to fulfill his whole duty. As you so kindly say in your address, I hope that the same cordial relations will continue between us as have existed for so many years and that you will all help me to make the administration of Oahu Prison as easy, as humane, and as just as it is possible to make it. Let us all strive together to keep it to the efficient standard attained by our late Warden, High Sheriff William Henry."

"You men, whom the troubles of this life have placed temporarily between these walls, know that you have my sympathy. My service here has taught me that prison life is a hard one indeed, but it can be made easier if you accept it in a spirit of resignation. Be obedient to your officers, execute promptly all their orders, respect the rules which have been made for your direction and you will find that it shall be my pleasure and that of my officers to make it as easy for you as possible. "Once more, gentlemen, officers and men, I tender you my sincere thanks for your words of encouragement and good will."

Other speakers were Mrs. G. W. Rider, E. A. Miller, A. E. Lutz and Rev. Mr. Turner. The services came to a close with the singing of Hawaii Ponoi by the whole congregation.

The "Revue Francaise" says that underground lakes have been discovered in the district of Eucla, in Australia, situated nine or ten metres from the surface and probably containing large volumes of pure, drinkable and generally usable water. They are in arid regions, which they will help to fertilize as soon as their waters are brought to the surface and applied. This will open to cultivation and colonization quite extended territories now practically desert. Many Australian rivers sink into the earth and are lost, and it is thought that the waters of some of them gather to form the lakes discovered. Similar phenomena are found, though on a less extensive scale, in France and other European countries, but Australia will probably be able to turn them to better account than any of them.

A mother was talking to her little children about going to bed early. "Ted," she said earnestly, "you and Ethel ought to go to bed with the sun. The chickens go to bed with the sun." "Yes, I know they do, mamma," Ted replied, "but the old hen—she always goes to bed with 'em!"

## OLD PLANTERS

THE HAWAIIAN GAZETTE CO. HAS, AT CONSIDERABLE EXPENSE, SUCCEEDED IN COMPLETING A LIMITED NUMBER OF SETS OF PLANTERS' MONTHLIES FROM VOL. I OF 1882 UP TO THE FIRST OF THE PRESENT YEAR.

OF THE EARLIER NUMBERS, LONG SINCE OUT OF PRINT, MANY ISSUES WERE ENTIRELY EXHAUSTED, MAKING IT NECESSARY TO RESET AND REPRINT ALL SUCH NUMBERS, THUS ADDING MATERIALLY TO THE COST. THIS EXTRA EXPENSE WAS MORE THAN JUSTIFIED, HOWEVER, BY THE VALUABLE NATURE OF MUCH OF THE MATTER CONTAINED IN THESE OLD NUMBERS, MATTER THAT CANNOT BE FOUND ELSEWHERE THAN IN THESE BOOKS AND THAT IS VALUABLE REALLY BEYOND PRICE TO THE PLANTATION INTERESTS.

THESE PLANTERS ARE UNIFORMLY BOUND IN FULL LAW SHEEP, GIVING THEM AN ATTRACTIVE APPEARANCE IN ADDITION TO THEIR DURABILITY.

ANYONE DESIRING A COMPLETE SET, OR ANY PART OF A SET, WOULD DO WELL TO COMMUNICATE WITH THE GAZETTE CO. AT AN EARLY DATE, AS THERE ARE BUT VERY FEW SETS AVAILABLE AT THE PRESENT TIME, AND IN ORDER TO COMPLETE MORE SETS IT WILL BE NECESSARY TO RESET AND PRINT MORE BACK NUMBERS, THUS INCREASING THE COST STILL MORE.
